
LIST of ACTS, REGULATIONS and PUBLICATIONS NOW REQUIRED AND WHERE THEY MAY BE OBTAINED

NOTE: Not all publications are required for all categories. Please check your sample inspection form to see which publications are required.

GENERAL ITEMS REQUIRED BY ALL CATEGORIES

1. "Veterinarians Act (Bill 39), Regulations (O.REG.1093), Minimum Standards for Veterinary Facilities in Ontario & By-laws"

- These documents are available for free from the CVO.
- Available on the website: www.cvo.org

2. "Compendium of Pharmaceutical and Specialties (CPS)"

- This is can be purchased on the Canadian Pharmacists website at <http://www.pharmacists.ca/index.cfm>.
- It can also be found through many retail bookstores in both paper copy and CD-ROM forms.
- The CPS can also be obtained second hand from your local pharmacist or doctor.

3. "O.REG.551 – Under the *Drug and Pharmacies Regulation Act*"

- This is available from the Government of Ontario's E-Laws or Publications Ontario.
- Available through the CVO website under 'Links'.

PLEASE NOTE: The "**Schedules G and N**" noted within O.REG.551 have been revoked. They are now listed under the "**Controlled Drugs and Substances Act**", which can be obtained from government bookstores, Canadian Government Publishing or the Government of Canada Justice Department website under Laws.

4. You will require only one of either: "*Compendium of Veterinary Products*" or "*C.D.M.V.*" *Veterinary Pharmaco-Therapeutic Compendium*"

- The CVP can be purchased on the North American Compendiums website at <http://www.nacusastore.com/cvp.html> in either a paper copy, CD-ROM or web subscription form.
- The CVP can also be found through many retail bookstores in both paper copy and CD-ROM forms.
- Information regarding the C.D.M.V. Veterinary Pharmaco-Therapeutic Compendium can be obtained through the following sources:
 - Website: www.cdmv.com
 - Tel: 1-800-668-2368
 - Fax: 1-800-363-3134

PLEASE NOTE: The "C.D.M.V." *Veterinary Pharmaco-Therapeutic Compendium* is no longer in print publication, but having internet access at the facility would meet the minimum standard.
