RESIGNATION

TO: THE REGISTRAR OF THE COLLEGE OF VETERINARIANS OF ONTARIO

I hereby resign my membership in the College of Veterinarians of Ontario.

I understand that, upon receipt by the Registrar of the College, my licence to practise veterinary medicine in Ontario will automatically be cancelled, and I may no longer practise veterinary medicine in Ontario.

I also understand that, if I wish to practise veterinary medicine in Ontario after my licence is cancelled, I must first apply for another licence and must meet the licensing requirements as they exist at the time of application.

I am aware that, despite my resignation, I remain subject to the continuing jurisdiction of the College in respect of my conduct while a member or any suspected impairment.

I have read and understood this resignation, which I am filing with the Registrar of the College of Veterinarians of Ontario.

REGULATION 1093

Reference Sections Re Resignation and Re Application

5.--(1) Every person who holds a licence is a member of the College subject to any conditions and limitations to which the licence is subject.

(2) A member may resign his or her membership by filing with the Registrar a resignation in writing and the member's licence is thereupon cancelled.

(3) The Registrar may cancel a licence for non-payment of any fee prescribed by the regulations or for failure to file a return required by the regulations after giving the member at least two months notice of the default and intention to cancel.

(4) A person whose licence is cancelled, revoked or suspended remains subject to the continuing jurisdiction of the College in respect of,

- (a) an investigation or disciplinary action arising out of his or her conduct while a member; and
- (b) an inquiry or proceeding related to whether the person is impaired.

14.--(1) Subject to subsections (2) and (3), the Registrar shall issue a licence to any person who applies therefor in accordance with the regulations and who meets the qualifications and requirements prescribed by the regulations.

(2) The Registrar shall refuse to issue a licence where, in the opinion of the Registrar,

- (a) the applicant does not meet the qualifications and requirements for the issuance of the licence;
- (b) the past conduct of the applicant affords reasonable ground for believing that the applicant will not engage in the practice of veterinary medicine with honesty and integrity; or
- (c) there is reasonable ground for believing that the applicant is impaired.

(3) The Registrar, on his or her own initiative, may refer and on the request of the applicant shall refer the application to the Registration Committee for a determination as to any of the matters mentioned in clauses (2) (a), (b) and (c).

(4) The Registration Committee shall determine the eligibility of applicants for licences referred to the Registration Committee under subsection (3) and may in any such case require an applicant to obtain such additional experience, education or training as the Registration Committee specifies.

(5) The Registration Committee may exempt an applicant from compliance with any qualification or requirement for a licence.

(6) The Registration Committee, after considering an application for a licence, may direct the Registrar,

- (a) to issue the licence;
- (b) to refuse to issue the licence; or
- (c) to issue the licence subject to the conditions and limitations the Registration Committee specifies.
