

# Expired Drugs

## Proper Disposal Tips

1

Identify drugs that are soon to expire or have expired.

2

Remove all expired drugs from use.

3

Safely dispose of all expired drugs to keep animals safe and ensure effective treatment.

4

Never dispose of drugs by flushing down the toilet or pouring down the sink.

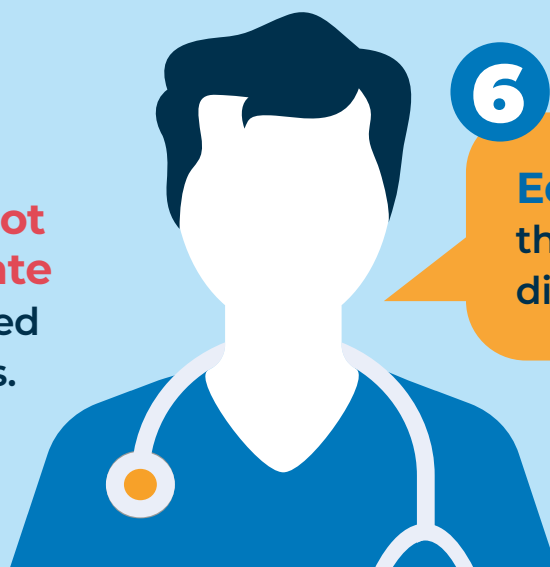

5

Do not donate expired drugs.

6

Educate clients about the need to properly dispose of expired drugs.
